Who Gives a Scrap

I AM a creative Art Educator with 10+ years of experience designing, implementing, and teaching art and design programs for diverse learners, ranging from early childhood to adult education. Skilled in curriculum development, classroom management, and student engagement. Proficient in multiple artistic mediums including drawing, painting, mixed media, large-scale works, and digital art. Strong background in marketing, social media strategy, and event coordination.

PROFESSIONAL EXPERIENCE

Art Teacher

- Taught drawing, painting, mixed media, crafting, + science projects to students from pre-K through high school.
- Designed curricula that fostered creativity, mindfulness, and self-expression.

Classroom & Event Management | Creative Reuse Center

- Created and maintained a custom online registration system and website — streamlining scheduling for teachers and simplifying sign-ups for students.
- Promoted classes and events through social media, boosting visibility and community participation. Freeing teachers (new and established) to focus on arts and craft instruction.
- Coordinated events and managed logistics to support the goals of the organization and local arts + craft community.

Marketing & Design Instructor

- Taught marketing, branding, social media, and design to students ages 10–70.
- Delivered one-on-one coaching and group workshops, adapting to diverse learning needs.
- Developed lesson plans combining creative design with practical marketing strategies.
